

Fact : Motorcycle rallies bring far too many arrests and citations.

Pro-rally advocates say “it’s not us, it’s them”. But in this case, ‘us’ is ‘them’. Are all bikers law-breakers? Of course not. But there is no way to avoid the truth on this issue: motorcycle rallies bring crime, and lots of it. Far more arrests are made and citations given during the single month of May than any other month during the year. Keep in mind, the months of June, July and August bring far more people to the beach than May, yet look at when most of the arrests and citations in the City of Myrtle Beach occur:
